

ISB to do joint research with Singapore varsity

The Indian School of Business (ISB) Hyderabad, and Singapore Management University have signed a Memorandum of Understanding to carry out collaborative research in Information Systems. Prof. Ravi Bapna, Executive Director, Centre for IT and the Networked Economy (CITNE), ISB and Prof. Steven Miller, Dean, School of Information Systems, SMU, signed the memorandum, which is initially for three years starting July 1, 2007. In addition to joint research, the partnering institutions will conduct annual joint workshops and video-conference research seminars in Singapore and India to share latest research findings in Information Systems, said a press release.
